**RE: Freedom of Information Act Request**  
**136-138 Hanover Street, Meriden, CT**  
**Loureiro Project No.: 58ML7.01**

To Whom it May Concern,

I am filing this request for all records on file and all information available, including current action files (pending orders), maintained for the following properties:

- 136-138 Hanover Street, Meriden, CT

My request covers all records maintained by the EPA on RCRA (including but not limited to Corrective Action requests, RCRA Facility Assessments, Solid Waste Management Units, Part B Permit Cells if any), TCSA inspections, Hazardous Waste Corrective Action Requests, permitting, CERCLA, Federal and/or State Superfund, Air Quality, Water Pollution Control, SARA Right to Know (Title III), Emergency Response Notifications (ERNS) Facility Index System Database, and any relevant information for the property or facilities located within a 0.25 mile radius surrounding the property from 1970 to the present, including any information on investigations currently in progress. In case any documents pertaining to the above property or surrounding facilities are withheld from public record, I am requesting that these documents be identified as to the subject, date, author and reason for the claim of privilege.

I am also requesting of listing of available aerial photographs of the site on file with the U.S. EPA Region 1. I do not wish to obtain the aerial photographs, only to obtain a listing of any photographs available.

The purpose of this request is to allow Loureiro Engineering Associates (LEA) to obtain all necessary information to complete an environmental audit of the above property. LEA is a professional corporation conducting studies, reports, and design work in the area of environmental engineering.
